Re: Cause Number 08-05-04388-CV; *William Martin Wise v. New Caney Independent School District*; In the 221st District Court of Montgomery County, Texas

Dear Mr. Cowan:

It is my understanding that, after the process server served you with this lawsuit, you chose to have the Chief of Police contact this law firm's client, Mr. William Martin Wise. When I called the Chief of Police in response to his telephone call to Mr. Wise, he would not even communicate with me and has failed to return my telephone calls, even though he knew that I am Mr. Wise's counsel. It is apparent that your efforts are nothing less than the type of oppression, which George William Frederick of Hanover attempted to utilize to terrorize men like Samuel Adams, James Otis, and the Sons of Liberty who stood up to his tyranny. Mr. Wise has every right to expose your perfidy and shall endeavor to do so in public fora.

Sincerely,

Eric Yollick
