I have received a copy of this certification. I have also been informed of my rights concerning any appeal of this criminal case, including any right to file a pro se petition for discretionary review pursuant to rule 68 of the Texas Rules of Appellate Procedure. I have been admonished that my attorney must mail a copy of the court of appeals' judgment and opinion to my last known address and that I have only 30 days in which to file a pro se petition for discretionary review in the court of appeals. TEX. R. APP. P. 68.2. **AFFIDAVIT FOR ORDER OF ARREST**

The undersigned affiant, Ruben Garza, who, after being duly sworn by me, on oath makes the following statement:

I, Ruben Garza, the affiant, am an Investigator with the Montgomery County District Attorney's Office and a certified Texas Peace Officer. I have read offense report number 09030588 submitted by Officer M. Dean, of the Conroe, Texas Police Department, and I have good reason to believe and do believe that on March 04, 2009, in Montgomery County, Texas, Alan B. Sadler, (hereafter "Defendant") did commit the offense of Driving While Intoxicated, a Class 'B' Misdemeanor. The report of Officer M. Dean states:

Officer Dean was dispatched to investigate a minor motor vehicle accident in the 2100 block of North Loop 336 West, in Montgomery County, Texas. His investigation revealed that, Alan B. Sadler, hereafter "defendant," was involved in a minor traffic accident. While interviewing the defendant, Officer Dean detected a strong odor of an alcoholic beverage on the defendant's breath. Also, Officer Dean observed the defendant to be unsteady on his feet, have poor balance and almost stumble into an oncoming lane of traffic. Officer Dean, who is certified to perform Horizontal Gaze Nystagmus and field sobriety tests, performed HGN on the defendant and observed six clues. Officer Dean then requested the defendant perform the walk and turn test and observed five clues. Officer Dean then requested the defendant perform the one leg stand and observed three clues. A sample of the defendant's blood was taken pursuant to a valid search warrant and a Texas Department of Public Safety Laboratory analysis indicated the presence of a combination of alcohol and the prescription drug, Phenobarbital, a central nervous system depressant, in the defendant's bloodstream at the time he was driving.

It is therefore Officer Dean's conclusion that the defendant had lost normal use of his mental and physical faculties by reason of introduction of alcohol and prescription drug into his system while operating a motor vehicle in a public place.

WHEREFORE, the affiant requests the issuance of an order of arrest for the accused in accordance with the law.

**MISDEMEANOR PLEA OF GUILTY/NOLO CONTENDERE**

The above named defendant prior to entering a plea represents to the Court the following:

I am mentally competent and I understand that I am charged with the misdemeanor offense of:

DWI 1ST, for which the punishment is a fine not to exceed \$ 2,000.00 and/or confinement in jail not to exceed 180 days.

I understand that I have the right to a jury trial; the right to compel witnesses to testify on my behalf; the right to confront and cross examine my accusers; the right to be arraigned and have the charge read to me in open court; and the right to remain silent and not discuss my case with anyone, including the Assistant District Attorney, and that anything I say can be used against me. I understand that I may represent myself, and that if I choose to represent myself I will be required to follow the rules of evidence, criminal procedure, and related laws of this state and of the United States in the same manner and to the same degree as any attorney who might represent me. I understand that upon a plea of guilty or nolo contendere, with a jury waiver, punishment may be assessed by the Court either upon or without evidence, at the discretion of the Court; that if I am not a citizen of the United States, my plea of guilty or nolo contendere may result in my deportation, exclusion from admission to this country, or denial of naturalization under federal laws; that if I am on probation or parole, my plea of guilty or nolo contendere may result in the revocation of my probation or parole resulting in further confinement; that if I am found guilty, that this case may be used to enhance my punishment if I am convicted of another offense; and that if the Court does not exceed the agreed recommendation in assessing punishment, my right to appeal my conviction will be limited to matters raised by written motion and ruled on before trial unless the Court gives permission to raise other matters. Further, I understand that it will be unlawful for me to possess or transfer a firearm or ammunition if I am convicted of a misdemeanor involving family violence.

I understand that I have the right to have an attorney represent me both at trial and on appeal and that I will be allowed a reasonable amount of time and opportunity to talk with an attorney if I so desire; the Court may reset my case to allow me a reasonable amount of time to hire my own attorney. I understand that any plea bargain agreement is not binding upon the Court and that if the Court sets punishment that exceeds the agreed recommendation, I may withdraw my plea of guilty/nolo contendere.

After being duly admonished of the nature of the charge against me, of all my rights, and the consequences of entering a plea of guilty or nolo contendere, I hereby state in open court and in writing that: I understand the charges against me; I knowingly, intelligently and voluntarily waive the above mentioned rights; and I ask the Court to accept my plea of guilty or nolo contendere and waiver of trial by jury. I further ask the Court to enter a judgement and proceed to sentence me according to the law. I ask the Court to decide all of the issues in this case upon my plea of guilty or nolo contendere. I request that a pre-sentence investigation report not be made prior to sentencing.
